No problem Dante. Let us know when/if it gets re-scheduled and you would like the tour then.

Jack and Chuck,

We had to cancel our whole trip and meeting with BLM, so we won't be needing the site tour.
Thank you for being so accommodating though!

Jack and Chuck,

Bringing you into the loop with regards to our site tour with BLM. Looks like they got signals crossed and thought the site tour would be Tuesday. Harry told them we already scheduled it with you guys for Monday. Stay tuned – we are trying to get it straightened out so we can proceed with the tour Monday afternoon as planned. Thanks for all your help.

Gene: I see now that you proposed Monday meetings and a Tuesday site visit. We and the State were thinking a site tour Monday afternoon (meet at site at 1PM), then a meeting in NDEP's offices on Tuesday morning at 8:30 or 9 AM. We have already arranged with ARC the site access for Monday afternoon. Would that change be possible for you? Harry

Hi.

I hope this note finds you well. Have you had an opportunity to review and comment on next weeks agenda for the Yerington Site Meeting and Tour? Please advise. I will be back in the office on Wed of this week.
